

INDONESIAN GOVERNMENT POLICY ON THE DEVELOPMENT OF COVID-19 OUTBREAK
5 MARCH 2020

1. Indonesia continues to closely observe WHO situation report on developments of the COVID-19 virus outbreak around the world.
2. According to the latest WHO report, there is currently a significant increase of COVID-19 cases outside China, particularly in three countries: Iran, Italy, and the Republic of Korea (South Korea).
3. In the interest of public health, Indonesia has issued a temporary measure for incoming visitors/travelers from the three said countries as follows:
 - a. **First, suspend entry or transit in Indonesia** to incoming visitors/travelers who have traveled to the following cities/regions in the last 14 days:
 - **Iran:** City of Tehran and Qom as well as the Province of Gilan
 - **Italy:** Region of Lombardi, Veneto, Emilia Romagna, Marche, and Piedmont
 - **South Korea:** City of Daegu and Province of Gyeongsangbuk-do.
 - b. **Second, for all visitors/travelers from outside the aforementioned areas in Iran, Italy, and South Korea, a health certificate issued by the official Health Authorities from each respective country will be required.** The Health Certificate **must still be valid** and shown to the airlines authorities upon check-ins.

Without a certificate from the Health Authority, the said visitors/travelers will not be permitted to enter or transit to Indonesia.
 - c. **Third,** prior to landing, visitors/travelers arriving from the three said countries are **required to complete a Health Alert Card** (*Kartu Kewaspadaan Kesehatan*) issued by the Ministry of Health of the Republic of Indonesia.

The Health Alert Card consists of questions regarding the visitor's travel history. If the visitor/s have traveled in one of the aforementioned regions in the last 14 days, the said visitor will not be permitted to enter or transit to Indonesia.
 - d. **Fourth,** for Indonesian nationals who have recently traveled to one of the abovementioned countries, especially in the said regions, **an additional health examination is required upon arrival at the airport.**
4. These measures will be effective immediately Sunday, 8 March 2020 at 00.00 Western Indonesian Time (GMT +7).
5. These measures are temporary and will be evaluated pursuant to further developments.
